

Collective Worship Timetable**Autumn Term 2026****Relationships****We are kind****We work as a team**

We want children to have positive relationships with one another and the whole school community. Pupils are supported and enabled to build relationships:

I am kind and respectful – I use kind words and actions, good manners and show respect to everyone.

I work together – I cooperate, share and contribute positively.

I include everyone – I help others feel welcome and valued.

I listen carefully – I give others my full attention and value their ideas.

I show empathy – I try to understand how others feel.

I solve problems peacefully – I use calm words and seek help when I need it.

I celebrate differences – I value and respect everyone's unique qualities.

I encourage others – I support and celebrate the success of my classmates.
